

INT. DAY

A waits. B enters

A  
An hour!

B  
(clueless)  
What?

A  
An hour! I've been out of class  
for a freaking hour. I even called  
your mom.

B  
(mortified)  
No you did not!

A  
Don't have a thrombo. I didn't  
tell her anything. I just asked  
her for Miriam's number.

B  
You called Miriam?

A  
Duh. Ten minutes ago. Maybe five.

B  
What'd she say?

A  
You know Miriam. She said..

B  
I'd be running late.

A  
...you'd be running late.

A and B exit.
