FADE IN:

A man hangs Truck Nutz from his vehicle's trailer hitch.

A

What is *that*?

B

You mean "What are *those*?"
They're Truck Nutz.

A

They're what now?

B

Truck Nutz. Truck. Nutz.

A

You're kidding.

B

Hitch Hangers. Bulls Balls.
Whatever.

A

You lose a bet?

B

Hell no. Ordered 'em custom.

A

No. Way.

B

Cross my heart. Hard to get 'em
in that color.

A

So. They don't come standard?

B

From the factory? Don't be dumb.

A

So. The car didn't come with
testicles. But you wanted them
because...?

B

They're not testicles. They're...
Truck Nutz. And they just... they
look cool, that's all.

A

Sure, okay. Not an actual,
working pair of testicles. More
of a decorative scrotum.

B

You know, the way you say it...
you're making it sound nasty. I
know what you're doing. And
that's not what we're talking
about.

A

What am I doing? What are we
talking about?

B

I told you before, I'm done
talking about surgery and binders
and athletes and shit.

A

You *know* gender's just a
conspiracy for selling more
bathrooms.

B

They're just Truck Nutz!

A

No, no, I get it. Sometimes,
after-market parts are the only
way to get the vehicle you want.

B

Are you... are we even talking about
cars?

A

Probably, yeah. Sure. No,
absolutely.
