FADE IN:

J takes pictures of his food.

J
Do you mind?

M
What?

J
If I take, you know... if I take a
picture?

M
Of?

J
Your food. Kind of a hobby.

M
Taking pictures of my food is a
hobby. For you.

J
Doesn't have to be your food.
Just food. I've kinda got a thing
going

M
A thing.

J
An uninterrupted thing.
Instagram. 494 days.

M
494 pictures.

J
494 days. 3 meals a day.

M
(mumbles, doing the
math)
...twelve... twenty-seven, twenty
eight... twelve, thirteen, fourteen...

J

1482.

M

Fifteen hundred meals.

J

Well, fifteen hundred Saturday night.

M

Your food?

J

My food. Anybody else I eat with.

M

You go to parties?

J

What?

M

Parties. Cafeteria. Buffets. Covered dishes. Pot lucks.

J

Couple of times.

M

How do you take pictures of other people's food at those?

J

Oh, just, you know... the serving dishes.

M

Like, the food line?

J

Yeah, I guess.

M

I'd prefer that you didn't take a picture of me eating. Nobody looks good eating.

J

No, it's okay. I won't show your face.

M

You get many *second* dates?

J

What?

M

Second dates. You connect with many people who ask for second dates?

J

Not really. No.

M

Huh. Wonder why.
