FADE IN

A SERVICE COUNTER

K approaches the counter, scanning a space high on the wall behind it. K then looks at M, who is working behind the counter.

K  
(Confidently,  
slightly louder  
than conversational  
speech)

I'll have a burger. With cheese.  
All the way. Fries, too, please.  
Medium. No salt. And, can I get  
some extra mayo on the side? And  
I'll have a Coke. Do you have  
Coke? Or is this a Pepsi place?

M  
(Quietly)  
Sir, this is a library.

K  
Oh. Sorry. My bad.

K (CONT'D)  
(whispers)  
I'll have a burger and fries,  
please.
