FADE IN:

Quinn and Skyler meet on neutral ground.

QUINN

You're Skyler. Right? I mean...
what is it? Pumpkin Spandex?

SKYLER

Yeah.

QUINN

What kind of a user name is
Pumpkin Spandex, anyway?

SKYLER

The usual kind. I dunno. Just...
something dumb. Something... I
dunno.

QUINN

So am I... the first? Or have you
done this to other people, too?

SKYLER

That's not important. You... you've
got enough other things to worry
about.

QUINN

Okay, so. How does this...? How
are you gonna undo all the -?

SKYLER

I'm so sorry. I'm **so** sorry.

QUINN

Did you take any money? Credit
cards or bank stuff or whatever?

SKYLER

No. No, man, I promise. I just...
I've just been... you know... I've
just been...

QUINN

Yeah. I saw the socials.
Obviously. I knew it wasn't *me*
posting comments.

Skyler starts crying.

QUINN (CONT'D)

I'm not gonna... Don't. You don't
have to.... I'm gonna change all my
passwords, obviously, but... if
there's nothing missing, I'm not
gonna... this can just be between
us. This can be the end of it.

SKYLER

(Crying
intensifies)

The end of it? Dude! I've been
living **as you** for the last three
weeks!

QUINN

I mean... identity theft.
Obviously. And I just told you I
wasn't... I'm not gonna go to the
police or anything. This is just
gonna —

SKYLER

(On the verge of
wailing)

The police! You think I'm worried
about the...? No, I...

Quinn finally hugs Skyler.

QUINN

Shh. I'm —

SKYLER

It's so bad! The memes! The
comments! The Snapchat! The
Discord! Are those people your
friends? Your life is **horrible**!
How do you even get up in the
morning?

QUINN

I know. I know. It's gonna be
okay.

FADE OUT
