Cake

A

We were watching the new muppets show with Sabrina Carpenter.

B

Oh yeah, I wanted to watch that.

A

Oh yeah, it was good, you totally should! Anyway, so we were watching it, and my boyfriend says, "Seth Rogen is kind of cute, he might be my 'hear me out.'"

B

*What!*

A

Yeah, should I be concerned about that?

B

It's probably fine.

A

Anyway, that got me thinking about what my 'hear me out' would be and I was like, 'it might be Charlie Chaplin.'

B

You know what, that's totally fair.

A

I know! I feel like we were watching those movies, and I was like, "He's so cute."

B

We should make a cake.

A

Yeah, and we can put on Seth Rogen and Charlie Chaplin.

B

Yeah and those are the only ones, no one else, just Seth Rogen and Charlie Chaplin.

A

Dude, that would be so funny

B

You know what, I think the undercover cop from *RRR* is my 'hear me out.'

A

*What!*

B

Dude, you can't tell me he's not hot.

A

I didn't know Bollywood yaoi went so hard.

B

They really put the 'wood' in Bollywood. Especially at the end, when he's killing all the people.

A

You know what, sure, add him to the cake, too!

B

Charlie Chaplin, Seth Rogen, and the buff guy from *RRR*.
