

B

Girl, I've been in the *trenches* all day; I need a peaceful desk. No one come to me. No one have any problems.

A

No one speak to me. (High pitched) No one fucking speak to me!

B

Yeah, I mean, I didn't bring my planner, and forgot my song, and then I nearly sprained my ankle walking by, and my shit still hurts.

A

Oh my god.

B

I've got a pretty good bruise right now. And then I still- um. It's been crazy, still, 'cuz I- I like the holidays. I love Valentine's Day, I love Halloween.

A

Oh, I love fall- I love *fall*.

B

I think if we were kids, it would be different.

A

Yeah, 'cuz-

B

'Cuz Valentine's Day, there's the cute little hearts and everything's pink.

A

Yeah.

B

And Halloween has the pumpkins.

A

I was never into Halloween.

B

But it's fall.

A

Yeah. It's just- I dunno. It's get too, like-

B
Scary?

A
I like the *kid* scary. Like. the bats and cartoon monsters. That's
fun. I like that.

B
Yeah, the cute stuff.

A
Uh- Man, I don't know. Maybe it's different if you do stuff with,
like, friends. I don't have friends.

B
Yeah, you do.

A
Not really-

B
Me!

A
Oh! We're friends?

B
...yeah. You fucker.

A
We're friends!

B
Yes. Unbelievable.
