Hi Youtube…

C
Okay guys, so today! ASMR…

B
Oh god are we being like so for real right now?

A
Hey quiet you’re talking through the whole thing. Shhh.

C
Bro you’re just jealous you’re not in the ASMR.

B
So like why are we lying on my name to the Youtube?

A
Dude, look at your pose right now I know you’re not talking.

C
Mad zestful bro.

A
You look like you wanna kill yourself.

B
Guys, I’m so hungry.

A
“I’m hungry! I’m big!” When are you not?

C
“You’re a massive fat lard” isn’t that what you called me earlier?

B
I said that!? Genuinely like when did those words ever leave my mouth?

C

You don’t recall? Don’t lie to the subscribers bro.

A

You’re cubin’ it up… Like Minecraft.

B

Oh I don’t like Minecraft. I thought Terraria was better.

A

And then morons will say Roblox is better.

B

I mean it’s better if you’re playing to get groomed I guess.

C

Can you guys shut the fuck up? I’m trying to do ASMR.
